

Appl. No. 10/665,865
Reply to Office Action of October 24, 2005

REMARKS/ARGUMENTS

The ADVISORY ACTION of February 21, 2006 indicated allowance of claims 3 and 4 and an objection to claim 2. Claim 1 is rejected.

In order to gain allowance of the application, applicants have cancelled claim 1 and rewritten claim 2 as an independent claim.

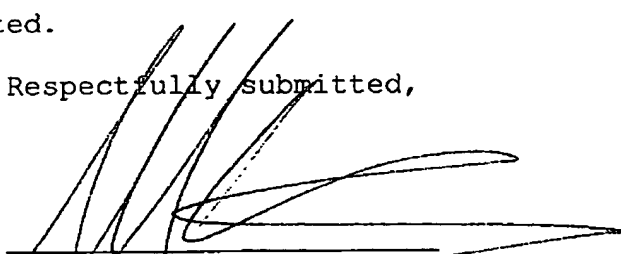

Claim 4 (amended) has been canceled and replaced with an identical claim designed "Claim 5 (New)". This is to avoid formal issues concerning the correct claim labeling of claim 4 when the earlier amendment was entered only for the purposes of appeal.

In view of the above, there are no rejections of record.

Entry of this AMENDMENT and allowance of the application are therefore respectfully requested.
